PRODUCT REPLACEMENT NOTIFICATION
SREDKEY – P/N IDSK-5XXXXXAAA

Dear Valued ID TECH Customer:

Thank you for choosing ID TECH as your POS solution provider and for your purchase of the SREDKey. ID TECH has always been and will continue to be committed to delivering highest quality secure payment solutions to our customers. In support of this ID TECH will be ending production of the SREDKey and replacing with the SREDKey 2. The SREDKey 2 is a form-fit and function compatible replacement for the SREDKey with enhanced security features including PCI 5.x certification. For customers that cannot migrate to the SREDKey 2, ID TECH is offering a last time buy of the SREDKey through January 31, 2021. For all new installs or replacement purchases after January 31, 2021, ID TECH strongly recommends the SREDKey 2 product line.

Discontinued Product:	IDSK-5XXXXXAAA-ZZ
Replacement Products:	IDSK2-XXXXAA-ZZ
Last Time Buy:	January 31, 2021
Last Ship Date:	April 30, 2021

ID TECH remains committed to providing products and services that offer value and performance. We trust that our ongoing efforts will best serve the needs of your organization.

For questions, please contact your Sales Manager at ID TECH. Thank you in advance for your understanding!

Sincerely,

Product Management
