PRODUCT REPLACEMENT NOTIFICATION
SecuRED – P/N **IDSR-XXXXXXAAA-ZZ**

Dear Valued ID TECH Customer:

Thank you for choosing ID TECH as your POS solution provider and for your purchase of the SecuRED reader. ID TECH has always been and will continue to be committed to delivering highest quality secure payment solutions to our customers. In support of this, ID TECH will be ending production of the SecuRED and replacing with the Augusta S. The Augusta S supports EMV contact payment cards and is PCI 4.1 SRED certified. For customers that cannot migrate to the Augusta S, ID TECH is offering a last time buy of SecuRED through January 31, 2020. For all new installs or replacement purchases after April 30, 2020, ID TECH strongly recommends the Augusta S.
