**RE: LEVEL 2 LETTER OF APPROVAL**

Dear Howard Zong ,

Interac Corp. ("Interac") has developed a dual interface contact and contactless chip payment standard specification for Interac Corp.'s payment systems (the "System"). You have requested that your product be accredited for dual interface certification as it relates to the System. This letter confirms that the following product has been approved by Interac for the Interac DI-Flash approved product list.

Interac approval number:	IN20-04-13-VIV20029_2
Commercial Product Name:	VP3300
Technical Product Name:	VP3300
Application Version:	Interac 1.7, v1.00
Technical Specification Version:	Dual Interface Reader Terminal specification for IDP v1.7 EMV CL L1 16397 1218 260 26b 26b FIMT Valid until 13/12/2022
Technical features of the product:	Contactless Only, Online Only, Connected to Display, Support online PIN, CDA supported, Dedicated
Test Report Number	M20REP00-060
Approval date:	April 13, 2020
Renewal date:	April 12, 2023

As confirmed by the Interac Certification Agent that performed the assessment, this letter confirms that the product as described above has successfully passed the test session according to Interac Specifications and Certification Guidelines for Interac–DI Flash contact and contactless interface.

## **CONDITIONS**

This letter does not constitute an endorsement or warranty by Interac regarding the functionality, security, quality or performance of the submitted product, including without limitation any warranties of merchantability, fitness for purpose or non-infringement, all of which are expressly disclaimed by Interac.

Interac's approval applies only to the product as described above. Interac reserves the right to require further testing of the product and/or to utilize the above product as a reference in respect of certification and approval of other Interac Di-Flash products.

The issuance of this letter is conditioned upon all necessary agreements having been executed, including without limitation, the applicable license agreements with Interac and this letter of approval shall be of no force and effect unless such agreements have been executed contemporaneously with or prior to the issuance of this letter. The issuance of this letter is further conditioned upon ID Tech Products maintaining its approval from Interac.

Approval granted by Interac does not supersede any additional requirements that may be imposed on you, including by any of your customers.

Sincerely,

A handwritten signature in black ink, appearing to read 'Peter Sweers', is written over a faint, illegible stamp or watermark.

Peter Sweers  
Chief Technology and Operations Officer

## **Approval Conditions**

1. A Dual Interface configuration has been submitted to evaluation. Contact profiles need to be validated during integration.

2. The product had been tested against the following test plan :

- Contactless Reader Terminal Application Certification Guide v1.5d
- Dual Interface Reader/Terminal Specification for Interac Direct Payment and NFC Based Transactions, v.1.7
- Interac Association Bulletin #1-2019
